President's Message

Contributed by Brad Fischer (78-S)

My Brothers,

After quite a journey we are very close to the public unveiling and then installation of the Memorial Sign on State Highway 41 to honor Brother Phil Sanchez (52-T). This idea was developed by a committee convened following the passing of Brother Sanchez.

I worked with Significant Sig & Chapter Eternal Elvin Bell (57-F) and Order of Constantine Bill Robinson(70-F) for several years to accomplish this worthy honor. Please see the article below.

Schools across the country have started their new academic year. Your alumni chapter has an exciting Fall Alumni Dinner meeting schedule. We will celebrate the Semi Century Sigs of 1974 and have some great meeting programs ahead.

Once again, thank you to our dues payers and

those who add donations. You make a difference and one example is the article below from Consul Caden Shows (22-F).

The White Cross of Sigma Chi ideals are lofty ambitions for us all. Use each day as an opportunity in personal and professional life to apply these principals.

In Hoc Signo Vincas,

Brad

Housing Corporation Update

*Contributed by John Ballinger, (65-S)
Housing Corporation President*

With this edition comes the beginning of a new school year. Our 14 active brothers who lived in this summer survived some extremely warm conditions. With their cooperation we were able

to significantly reduce our PG&E bill from last years record total!

We begin the fall semester with a “full house” of 24 brothers! We will soon be having our annual meeting regarding contracts and our expectations. The house floors have all recently been steam-cleaned, and some “new” furniture donated by Bill Robinson, is in place.

Here’s to a successful 2024-25 school year! If you are looking for a way to make a difference, ask about joining our housing corporation board. It doesn’t require that much time. It’s great to be a Sig!

In Hoc,

John Ballinger ('65-S)
Housing Corporation President

Active Chapter Update

Contributed by Harrison Alessini, Chapter Editor

The brothers of Epsilon Eta have had a great summer and are excited to get back to the grind of school. Some exciting news to report is our chapter house is full this semester with all rooms filled.

Once again, we thank our wonderful alumni that provide scholarships and support our brothers and chapter that have allowed some brothers to live in the chapter house nearly rent free and allow them to focus more on academics and building the lifelong relationships that so many brothers before us have made.

We are looking forward to Fall Rush at the end of September and hopefully adding many new members to our chapter.

In Hoc Signo Vincas,
Harrison Alessini | Chapter Editor

KRACH WORKSHOP APPRECIATION

By Caden Shows, (22-F)
Epsilon Eta Consul 2023-2024

Recently, four of us I had the privilege of going to Bowling Green, Ohio for the KRACH Leadership Training Workshops. The alumni of the Epsilon Eta chapter were generous enough to pay for our flights, which made this trip possible us.

While at the workshop, we were able to learn about how to be a better man inside and outside of the Fraternity. We discussed the true definition of “masculinity” as there are several different characteristics of masculinity. Google defines masculine as being aggressive. This is not a true characteristic. Masculinity can be a provider, who is strong, confident, motivated, etc. Never had we really paid attention to the true definition of what masculinity represents, but always associated with being tough or in a negative light. This was one of many characteristics we discussed in our workshops, however it made the biggest impact on us.

Having attended this workshop also brought us closer to other fraternity brothers who were in attendance. We learned about other campuses

and their fraternity lives. It was like meeting our family for the first time and having so much in common. We gained brothers who we can reach out to anytime we want to talk or run ideas by.

They had questions about our lives in central California, as we had questions for them who live in other parts of our country. The fact that we were all tied together in the brotherhood of Sigma Chi was an experience I will never forget.

This experience went above and beyond anything I expected. It helped me to grow as a leader and to take what I learned about leadership and use it for the rest of my life. This amazing trip would not have been possible without you, the alumni of Sigma Chi at Fresno State. Again, thank you so much for this opportunity.

LEO WILSON (55-F): A NEW BEAT ON LIFE

By Saint Agnes Medical Center

Twelve years ago, Leo Wilson, a Central Valley native and well-known home builder and developer, started experiencing fatigue and would wake up gasping for air at night. Over the years, it got to the point where he could hardly move.

In 2023, Leo's wife felt something was wrong and called for an ambulance. He was taken to Saint Agnes Medical Center's Emergency Department where doctors discovered he was suffering from heart failure and needed emergency surgery.

"I came in and went straight up to the floor and then they started putting stints in my mitral valves," Leo says.

He was suffering from [mitral valve regurgitation](#) – a condition in which the mitral valve does not close properly. In a healthy heart, blood moves from the heart to the body and then back to the heart. For patients with mitral regurgitation, the mitral valve, which acts as the door between the body and heart, does not function properly, disrupting the blood cycle.

Three days after surgery, Leo was walking and able

to return home to continue his recovery. Two months after his procedure, he was able to start attending Saint Agnes' Cardiac Rehabilitation and Lifestyle Program. He quickly began to feel like himself again.

JOHN BALLINGER – 2024 SEVEN LIGHTS ALUMNI AWARD HONOREE

By Brad Fischer, (78-S)
Significant Sig & President, Fresno Alumni Chapter
bsfischer937@gmail.com

The Seven Lights Alumni Award is presented by the Sigma Chi Fraternity to alumni members who have demonstrated significant service to the Fraternity over a ten-year period. Currently only twenty-four can be awarded annually. Epsilon Eta now has six Seven Lights alumni with the announcement of our 2024 honoree **John Ballinger** (65-S).

John has displayed positive participation and impact on our Active Chapter and support to the Alumni Chapter. He has been an active participant in our local Fresno Alumni Chapter activities since 2008 and an annual payer of dues. His leadership since 2015 as President of the Housing Corporation has achieved many milestones that provide a safe and healthy environment for our Active Chapter. They include the highly acclaimed solar installation, HVAC replacement, remodel of bathrooms and showers, exterior lighting and security cameras, window replacements, front yard renovations and

HVAC efficiency. In 2019 John was the recipient of the headquarters William T Bringham Outstanding Corporate Officer Award.

As a result of his leadership, in 2023 and 2024 a Gold rating was awarded to the House Corporation by RMF. This success was achieved while collaborating with the Active Chapter for fairness in lease arrangements and housing standards. Also, he is a strong advocate for firm alcohol policy in the House. John strives to maintain sound financial policies to insure a balanced budget.

Also, John serves or served on the 70th Epsilon Eta Anniversary Committee, Alumni Awards Committee, Fresno Sigma Chi Endowment Committee, and annual Wine Tasting Committee. He also provides valued updates to our alumni brothers at our monthly dinner meetings.

Please join me in recognizing John for this high level of achievement.
