President's Message

Contributed by Brad Fischer (78-S)

Worthy Brothers:

Beginning August 1, 2026, we will implement our new international email address hosted by headquarters. Our new email is now ***fresnoalumni@sigmachi.com*****.** Please update your contact list to include this new email. It will take us some time to fully update to this new email.

We are still looking for candidate referrals of young men in college or entering in the fall who are worthy of the White Cross. Send their contact information to us ***fresnoalumni@sigmachi.com*** and we will get them an introduction.

Continue safe travels in the remaining days of summer. We are bound by the bonds of brotherhood, and I challenge you to reach out to a brother who you have not connected with recently.

Friendship, Justice, and Learning

In Hoc Signo Vinces,

Brad

Housing Corporation Newsletter

by John Ballinger (65-S), House Corporation President

I'm not sure if I'm ready or not but, the fall semester begins in less than a month! There has been a ton of work going on over at the house. We only have 6 living in this summer, however they have done a ton of clean-up under the guidance of new Consul Nick Palms.

Nick and his crew have decided to attempt and renovate the lawn in the front yard. So far they have rototilled the soil, repaired a sprinkler line, and are leveling the dirt in preparation of spreading Bermuda seed. I love their initiative. We'll see how it goes.

Included this month are photos if many of the repairs. Brother Mike Patton has donated the funds necessary for painting the entire common areas in the house! Major thanks go out to El Kabong. We also need to thank all of you who contributed to this restoration project. We are fortunate to have the most generous and supportive alumni possible!

BROTHERHOOD OPPORTUNITIES

Are you part of a group of brothers that gather for an informal brotherhood event? It might be a game watch or other activity at a brewery. Maybe a random happy hour or lunch. Let us promote it and other brothers might want to attend.

We are still looking for a brother to organize a quarterly drop-in happy hour. All you need to do is coordinate the date, time and place and we promote it. No program, no RSVP, no-host, just great conversation and a cold one.

CHRIS MORSE (83-F) NEW FRESNO STATE FOUNDATION CHAIR

Left to right: Saúl Jiménez-Sandoval, Fresno State President & Chris Morse (83-F)

The Fresno State Foundation Board of Governors elected Chris Morse to serve as its next Board Chair.

Chris is a proud Bulldog alumnus, an accomplished business leader, and a passionate advocate for higher education and the Central Valley. He serves

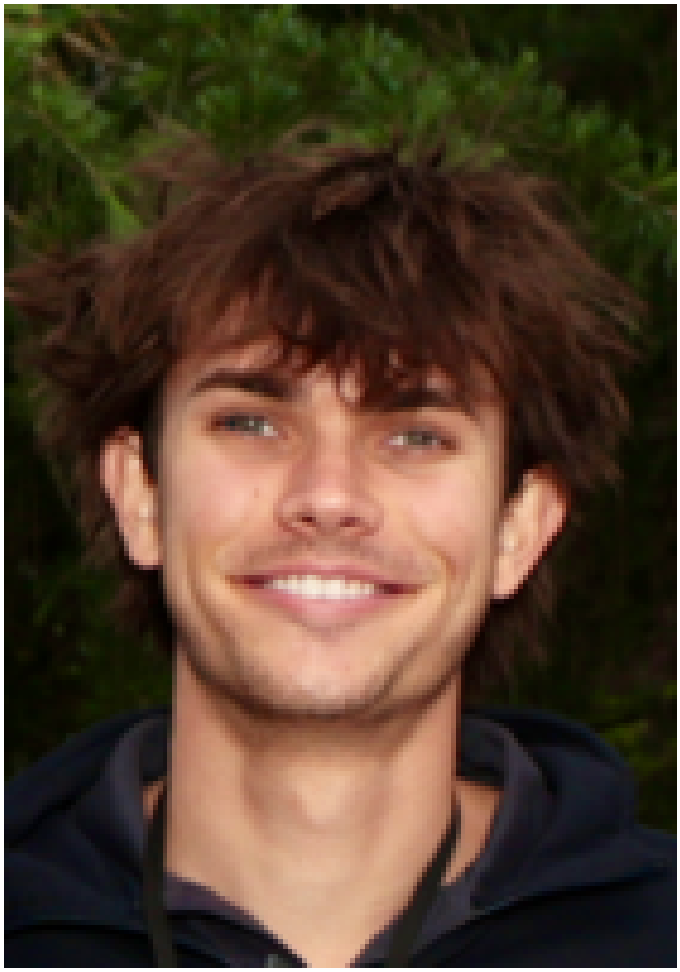

as Managing Partner of the Fresno office of Baker Tilly, the largest accounting and advisory firm in Central California, and brings decades of financial, civic, philanthropic and nonprofit leadership to this role.

Likewise, his commitment to philanthropy is equally impressive - he and his wife were recently inducted into the Pinnacle Society's highest level, Paramount, for lifetime giving of $1 million or more. His leadership and commitment to our students, faculty, philanthropic partners, and the communities we serve will be invaluable as we continue advancing the mission of the Fresno State Foundation.

As Board Chair, Chris is also committed to continuing the work of the Foundation to finish the implementation of the Review. He knows that strong governance, trusted stewardship, and clear alignment with the University are essential to ensuring that the generosity of our alumni, friends, and philanthropic partners continues to create life-changing opportunities for Fresno State students, faculty, and programs.

NICK PALM AWARDED EPSILON ETA'S FIRST BELL CHAPTER SCHOLARSHIP

Mike Patton (63-S) President Fresno Sigma Chi Endowment

Undergraduate brother Nick Palm (24-F) was elected as Consul for the Active Chapter at the spring 2026 elections. He achieved a CGPA of 3.71, submitted his application at the Sigma Chi International scholarship application portal and he is the first at Fresno Sigma Chi to be awarded a Bell Chapter scholarship.

The award is $5,000 for the 2026/2027 school year, but because he is a Top Five officer with a 3.5 or better CGPA, he will be awarded additional monies. We have a total of $79,000 to award this August, and the amount Nick will be given will be determined by how many other brothers apply and qualify for our local scholarships.

SIGNIFICANT SIG ENCOUNTERS FIRST GRAND CONSUL

Mike Patton (63-S) President, Fresno Sigma Chi Endowment

Well, sort of. While visiting the Seattle area and Puget Sound with his wife, Collette, brother Dana McManus (70-F) came upon a mausoleum. From Dana: “I was up at Roche Harbor over the Fourth of July and ran across some interesting Sigma Chi history. John Stafford McMillan was one of the founders at Roche Harbor and has many plaques and is mentioned all over the island.”

But Brother McMillan also developed the Sigma Chi national leadership structure. As a reward, he was named the first Grand Consul of Sigma Chi. For the complete history of Brother McMillan, please click this link:

CHARACTER-IN-ACTION – QUARTERLY AWARDS

Each quarter, the Fraternity recognizes one of its members with the Mark V. Anderson Character-in-Action Leadership Award. The award recognizes those Sigs who display good character and lead with integrity by donating their time and energy to a worthy cause.

Do you know of a brother who exemplifies character in action that leads to the betterment or support of others in the community? To nominate him, send a message to *character@sigmachi.org* that includes his name, undergraduate university and graduation year, as well as answers the following questions:

What is the community service or contribution for which the brother is being nominated?

Why does he do such service or make such contribution?

How long has he been involved in these activities?

Why do you believe the nominee should be considered for recognition?

The application deadline operates on a rolling basis. Award recipients receive a grant from the Sigma Chi Foundation for a cause they support, an article in *The Magazine of Sigma Chi*, an award certificate and congratulatory letter.

SIGMA CHI JOB BOARD

One of the greatest strengths of Sigma Chi has always been the power of our network. Today, we're excited to introduce the Sigma Chi Job Board, a new space where brothers can connect professionally by sharing available job opportunities and helping one another grow their careers.

If your company is hiring, we encourage you to post open roles and help fellow brothers take their next step. If you're exploring a new opportunity yourself,

you can browse positions shared by Sigma Chis across industries. It’s another way our brotherhood supports one another long after graduation.

You can access the Job Board, and other exciting engagement features, directly through the Sigma Chi Member Hub — a first-of-its-kind, innovative space dedicated exclusively for Sigma Chi members. This is your online home for brotherhood, connection and community. Inside, you’ll find groups that connect you by interests or chapter, an improved directory, online and local events, exclusive content, and more!

To log in, simply input your username — typically the email address to which you've received this message — and corresponding password. If you need any assistance, please submit a ticket to the Sigma Chi Helpdesk, and a member of Sigma Chi International Fraternity Headquarters Staff will assist you.

2026 SEVEN LIGHTS ALUMNI AWARD – SERGIO ILIC

By Mike Patton, Order of Constantine & Significant Sig, President, Fresno Sigma Chi Endowment

Sergio Ilic (87-F) gives back and is honored by Headquarters

On May 28, 2026 Sigma Chi International Fraternity announced Brother Sergio Ilic (87-F) was chosen to be a Seven Lights Alumni, Epsilon Eta's eighth since 2014.

For the last twelve years, Brother Sergio has contributed to Epsilon Eta in three important areas:

1. Through his decorative concrete company, Heritage Bomanite, he supported the House Corporation to maintain our most important icon as

the premier chapter house at Fresno State mostly at no cost. The improvements added to the fun and brotherhood of being a member of Sigma Chi, and the fine chapter house was a feature to be used as a recruiting tool.

2. Similarly, he provided free concrete work for your endowment's donor brick program which raised $100,000. Your endowment has raised $2M and has pledges for another $1M. When everything is in place your alumni chapter will be able to award $120,000 in scholarships per year, in perpetuity, to your undergraduate brothers at Fresno State.

3. Finally, Sergio, as an important member of the Fresno Sigma Chi Wine Tasting Committee for the last four years, has personally raised $25,000 for your endowment by auctioning priceless dinners at his home. The wine tasting is a fundraiser for your endowment, but its primary purpose is to be a brotherhood event.

Brother Ilic's efforts and resulting contributions to the three areas above have "cemented" Sergio as one of Epsilon Eta's most effective supporters.

Julian Ramos (09-S)

Julian Ramos received the 2026 Fresno State Student Success Award for his work with the Degrees of Change program. He is an advocate for

his students who make work easy to fight for them every single day.

The Degrees of Change program is restricted to students incarcerated in two prisons in Chowchilla: Valley State Prison and Central California Women's Facility

Rodger Jensen (52-T)

Rodger Jensen (52-T), Sigma Tau Premier, was featured in the following article from Valley Children's Hospital Philanthropy eNews, June 2026.

At 105 years old, Rodger Jensen recently returned to a place that holds particular meaning for him and his family, The Chapel at Valley Children’s Hospital.

Sunlight poured through the stained glass as Mr. Jensen took in the sanctuary his family’s generosity helped create. From the beginning, the Jensen family envisioned a space that would welcome every visitor, no matter their faith tradition. Through the generosity of Rodger and Margaret Jensen, along with Douglas and Marjie Jensen, the chapel was created as a peaceful place of reflection, comfort, and spiritual support for families, visitors and staff.

To bring that vision to life, they commissioned renowned stained glass artisan Ara “Corky” Frank Normart, Jr., whose work continues to bathe the chapel in color and quiet beauty. Mr. Jensen has given faithfully to Spiritual Services year after year, recognizing that healing often happens where there are no charts or monitors.

Mr. Jensen’s bond with Valley Children’s goes back decades. He served on the Hospitals Board of Trustees from 1956 to 1961, and his son Doug Jensen carried the legacy forward on the Hospital Board of Trustees from 1975 to 1977, and from 1981 to 1993, along with time on the Foundation Board.

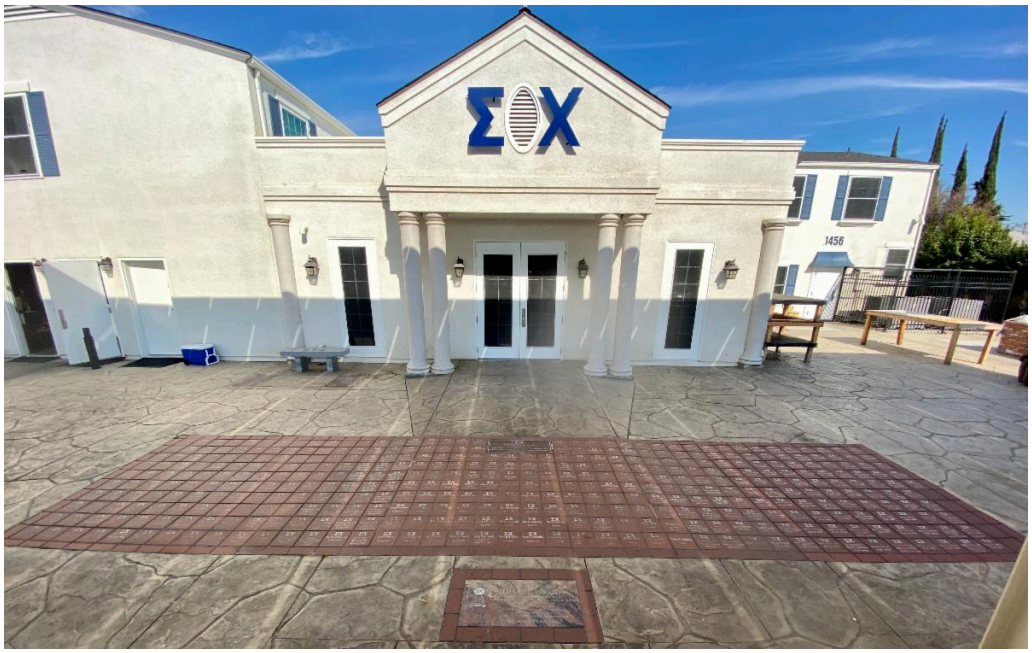

Before farming the Madera land that helped establish him as a pioneer of the local pistachio industry, Mr. Jensen flew B-29’s in the South Pacific during World War II, serving from 1941 to 1946. He came home to build a life with Margaret, his wife of 76 years, who passed away on July 2, 2018.

Bryce Martinho (13-F)

Expanding his tile company’s footprint

Reported by Mike Patton, Order of Constantine & Significant Sig, President of the Fresno Sigma Chi Endowment

Community West Bank recently profiled Brother Martinho and his tile company, Visalia Ceramic Tile. Bryce is president of the company, and the article celebrated the completion of their new 28,000-square-foot granite fabrication facility.

While an active undergraduate brother, Bryce, his father and a staff member replaced the tile in the upstairs main shower at no cost! Over several years Brother Martinho installed over 400 donor bricks at your Chapter House patio again at no charge. Next time you need ceramic tile, think of Bryce and Visalia Ceramic Tile.

Connect with Bryce, thank him for his contribution to your Chapter House and your Endowment. Also, ask him and send us his email address.

SAVE MART CENTER BEHIND THE SCENES TOUR

Left to right: Sergio Ilic, T.A. Heckel, Brad S Fischer, Steve Coleman, Tom Downing, Kirk Wethey, Mike Patton, Bill Robinson, Larry Cavion, Kevin Wren, Norm Bishop and Tom Licouris

On June 17, brothers enjoyed a behind the scenes tour of the Save Mart Center on the Fresno State campus, which was a 9th Annual Wine Tasting featured item.

Bob Nocek, General Manager, personally escorted us to areas not open to the public. An Alumni Certificate of Appreciation was presented to Bob in appreciation of the donation and his personal tour of the center.

Areas covered were the massive kitchen, storage areas for seating, stage and basketball court floor. We had exclusive access to the Men's Basketball locker room in the Jerry Tarkanian Sports Area and numerous other areas.

After the tour the brothers enjoyed lunch at Dervo's Deli and Grill, immediately across from the center. An Alumni Chapter Certificate of Appreciation was presented to the owner, Justin Dervishian (00-F), who made our visit a special time.

PROTECTING THE HISTORY OF EPSILON ETA

By Order of Constantine & Significant Sig
Brad S. Fischer (78-S)

Sigma Chi continues to have the most extensive collection of materials at the Fresno State Library Special Collections Department. What are you doing to save material from Epsilon Eta? Here are some ideas while you hold the items until you are ready to save them in perpetuity at the library.

Items can include, photographs, invitations, programs, clothing, jewelry, award certificates, trophy's, scrapbooks, etc.

Keep materials in a dry and temperature-controlled environment

Avoid folding any materials

Write the names of people featured in photographs on the back using a #2 pencil

Write an explanation of people, events, places, etc. to accompany your items

Place like materials in a box, folder, envelope or Ziplock

SUPPORT THE ONLY GREEK ARCHIVE AT FRESNO STATE

Funds are needed to cover the cost of archival storage containers and fees for these items. A fund has been established at the Fresno State Foundation for the Sigma Chi Collection at the Fresno State Library. **You can donate at:**
