Significant Sig Rodger B Jensen

1920-2026

Contributed by Brad S. Fischer, Order of Constantine & Significant Sig

It is with great sadness to announce that Significant Sig **Rodger B Jense**n (52-T) entered the Chapter Eternal. Rodger was 105 years old and a native of the valley and would make a significant impact on the country and our region.

He was a pioneer of pistachio production in the Central Valley of California, a philanthropist and supporter of higher education. Most importantly, he was a true gentleman.

Sig-Nificant News March 2025 - Significant Sig Article

Brother Jensen joined the Sigma Chi Fraternity on February 23, 1952. Alumni members of Sigma Tau Fraternity were accepted by the Sigma Chi Fraternity on this date of the charter of the Epsilon Eta Chapter. The Sigma Tau Fraternity was founded

on November 10, 1921 at Fresno State. Rodger joined that fraternity in 1939 and served as its Premier (president) in 1941.

Rodger was born in Parlier. He graduated from Fresno State in 1941. Rodger's agricultural roots run deep in the Central Valley and has a long history of philanthropy and support to higher education.

A decorated Air Force veteran who served from 1941-1946, 1st Lt. Rodger Jensen was a B-29 pilot during World War II. His aircraft "Horrible Monster" completed the final combat mission of the war, a bombing run on an oil refinery in northern Japan.

After the war, Rodger returned to Fresno, where he purchased low-value dryland farm ground. In 1950 he established S & J Ranch, a farm management company. During his presidency, S & J was one of the largest tree crop farmers in California, largest olive producer and the largest independent almond and pistachio processor.

At 104 he continues to farm citrus under his company name, Jenco Farms. He also actively manages his other business venture San Pablo Properties.

Because of his devoted service to California agriculture and unwavering commitment to his community, Mr. Jensen was honored in 1999 by Fresno State's Ag One as the seventh Community Salute honoree.

The California Pistachio Research Board pledged $1.5 million to establish a faculty position at Fresno State, named the Rodger B. Jensen Endowed Professorship in Pistachio Physiology and Pomology in his honor.

In 1998 Rodger and his wife Margaret donated 167 acres in hopes of helping to preserve the San Joaquin River bottom. The Jensen Ranch was donated to the San Joaquin River Parkway Trust to restore and connect the area between the regional Woodward Park and the river. Margaret & Rodger Jensen are recognized as Major Donors who have lifetime contributions of over $150,000 to the San Joaquin River Parkway Trust.

Rodger has served on the Fresno State Board of Governors and on boards of the Fresno Historical Society, California and Fresno Chambers of Commerce, North Fresno Rotary and Children's Hospital of Central California. With a major gift he established The Rodger and Margaret Jensen Family Chapel at Valley Children's Hospital.

In 1990 Rodger received the Arthur Safstrom Service Award as part of the annual Fresno State Top Dog Alumni Awards. In recognition of their devoted service to California agriculture and to bettering their community, the Board of Trustees of the California State University and California State University Fresno conferred on Rodger B. Jensen and Margaret Jensen the honorary degree of Doctor of Humane Letters in 2009.

He has been an active member of our Sigma Chi Alumni Chapter of Fresno and supported our local scholarship endowment at the Fresno State Alumni Association. Rodger has actively served as a fraternal member for over 85 years in his lifetime.

"Roger demonstrates the tenets of the Jordan Standard. He is a true credit to our Fraternity, and it is my honor to recommend him for the honor of Significant Sig. No organization could find a more

humbled, principled, generous, warm, or more impactful person to honor." **Significant Sig Bill Smittcamp** (73-S)

HOUSING CORPORATION ARTICLE

We are off and running as the fall semester has started! We now have 18 active members committed to living in for the 2026-2027 school year. The front

of the house has been repaired and renovated and painted, and the interior has also freshly painted.

The scope of work included replacing all rain gutters, tearing out dry rot from our front pillars and installing new wood trim where needed, replacing eroded facia boards along the roofline, refurbishing the front bay windows, installing a new 10-foot sliding glass door, and repainting the front of the house. **All done with your donations!**

This month's "SHOUT OUT" goes to every single alumni member who made donations allowing us to complete this year's projects. Monies allowing us to do this work came from either direct donations or added contributions when paying dues to our Alumni Chapter. **We appreciate each and every one of you for your generosity and making a difference…It's great to be a Sig!**

Want to make a difference? Consider joining our board!

In Hoc,
John Ballinger (S '65)

CALL FOR OTHER BROTHERHOOD EVENTS

Sam Mann (91-S) Seven Lights Alumni Award

I have some thoughts on brotherhood activities. A brother (or brothers) could pick places such as Clovis, Bullard area, Sunnyside, North Fresno and even places like Fowler, Kingsburg, Madera, Selma etc. for monthly/bi-monthly or quarterly "get together" for Happy Hour or whatever they feel will work best. I am open to any idea that will get brothers together on a regular basis.

Who will step up and organize an activity in your area? Let us know at ***fresnoalumni@sigmachi.com***

Contact Brother Mann for more information at: (559) 355-5786

SIGMA CHI HEADQUARTERS NEWS

INTRODUCTION OF NEW SIGMA CHI TranfORM PROGRAM

Dave Keller. Grand Praetor (95-F) Kappa Theta USC

Introducing the new Sigma Chi TransfORM program; ORM = Officer Resource Map.

Sigma Chi Headquarters is taking what was BLTW and Officer Training Academy (OTA) and bringing it to the Province level, with a better hands-on approach. Every Province should have a team of seven TransfORM Officer Mentors representing the mission-critical officers. Ideally, you would have an alumnus who is a CPA, CFO, or accountant who would help with the Quaestor position. Same with a CEO for the Consul role.

There is already some training for some of the officers here:

https://sigmachi.maplelms.com/local/mycourse

So far it covers the Magister and Risk Manager; Kustos is coming soon. There will eventually be one for each officer that is on E.C.

I'm ready to help or more information: **Contact *dave.keller@sigmachi.com* or (408) 507-6250**

CHRIS MORSE (83-F) – NEW FRESNO STATE FOUNDATION CHAIR

The Campaign for Fresno State communication (edited) by Brady Crook, Vice President, University Advancement & Executive Director, Fresno State Foundation

The Fresno State Foundation Board of Governors elected Chris Morse to serve as its next Board

Chair.

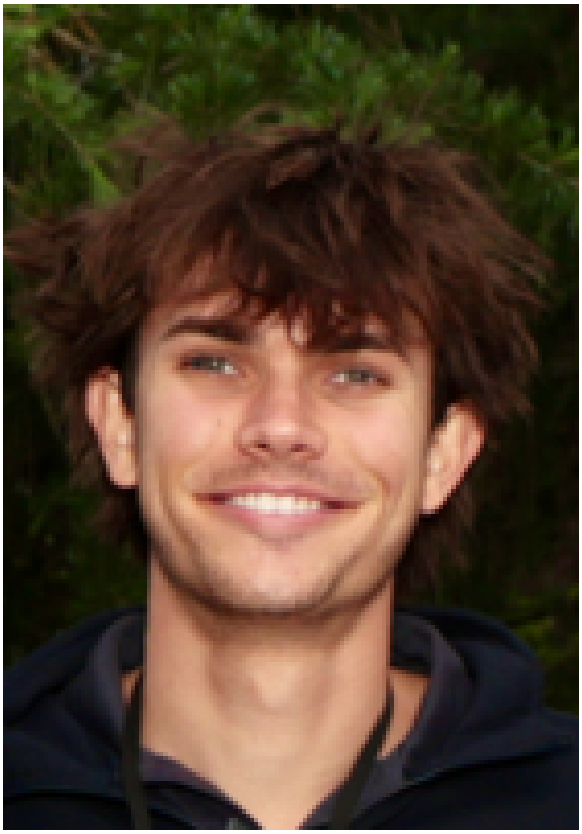

Chris is a proud Bulldog alumnus, an accomplished business leader, and a passionate advocate for higher education and the Central Valley. He serves as Managing Partner of the Fresno office of Baker Tilly, the largest accounting and advisory firm in Central California, and brings decades of financial, civic, philanthropic and nonprofit leadership to this role.

Likewise, his commitment to philanthropy is equally impressive - he and his wife were recently inducted into the Pinnacle Society's highest level, Paramount, for lifetime giving of $1 million or more. His leadership and commitment to our students, faculty, philanthropic partners, and the communities we serve will be invaluable as we continue advancing the mission of the Fresno State Foundation.

As Board Chair, Chris is also committed to continuing the work of the Foundation to finish the implementation of the Review. He knows that strong governance, trusted stewardship, and clear alignment with the University are essential to ensuring that the generosity of our alumni, friends, and philanthropic partners continues to create life-changing opportunities for Fresno State students, faculty, and programs.

NICK PALM AWARDED EPSILON ETA'S FIRST BELL CHAPTER SCHOLARSHIP

Mike Patton (63-S) President Fresno Sigma Chi Endowment

Undergraduate brother Nick Palm (24-F) was elected as Consul for the Active Chapter at the spring 2026 elections. He achieved a CGPA of 3.71, submitted his application at the Sigma Chi International scholarship application portal and he is the first at Fresno Sigma Chi to be awarded a Bell Chapter scholarship.

The award is $5,000 for the 2026/2027 school year, but because he is a Top Five officer with a 3.5 or better CGPA, he will be awarded additional monies. We have a total of $79,000 to award this August, and the amount Nick will be given will be determined by how many other brothers apply and qualify for our local scholarships.

SIGMA CHI + CHALLENGE – HELP US WIN!

Headquarters has challenged alumni chapters to share the value of the Sigma Chi Plus program. It is a path to **Life Loyal Sig** status. Already a Life Loyal Sig? There are still benefits for you as a **Premier+** member! See more at: *https://sigmachi.org/sigmachiplus*

If we can get 10 of you to sign up at the **Premier+** level, your Fresno Alumni Chapter will receive a free pop-up banner for our events. Let us know at ***fresnoalumni@sigmachi.com*** if you sign up at the **Premier+** level and we will submit our list of 10 or more to HQ for our award.

Steve Bachand (79-F) was the first to enroll in Sigma Chi+. Then **Austin Tuell** (21-F) received an anonymous gift of Life Loyal status with Sigma Chi+.

Who is next? Let us know when you enroll!

CHARACTER-IN-ACTION – QUARTERLY AWARDS

Each quarter, the Fraternity recognizes one of its members with the Mark V. Anderson Character-in-Action Leadership Award. The award recognizes those Sigs who display good character and lead with integrity by donating their time and energy to a worthy cause.

Do you know of a brother who exemplifies character in action that leads to the betterment or support of others in the community? To nominate him, send a message to *character@sigmachi.org* that includes

his name, undergraduate university and graduation year, as well as answers the following questions:

What is the community service or contribution for which the brother is being nominated?

Why does he do such service or make such contribution?

How long has he been involved in these activities?

Why do you believe the nominee should be considered for recognition?

The application deadline operates on a rolling basis. Award recipients receive a grant from the Sigma Chi Foundation for a cause they support, an article in *The Magazine of Sigma Chi*, an award certificate and congratulatory letter.

SIGNIFICANT SIG ENCOUNTERS FIRST GRAND CONSUL

Mike Patton (63-S) President, Fresno Sigma Chi Endowment

Well, sort of. While visiting the Seattle area and Puget Sound with his wife, Collette, brother Dana McManus (70F) came upon a mausoleum. From Dana: “I was up at Roche Harbor over the Fourth of July and ran across some interesting Sigma Chi history. John Stafford McMillan was one of the founders at Roche Harbor and has many plaques and is mentioned all over the island.”

But brother McMillan also developed the Sigma Chi national leadership structure. As a reward, he was named the first Grand Consul of Sigma Chi. For the complete history of Brother McMillan, please click this link:

PROTECTING THE HISTORY OF EPSILON ETA

By Order of Constantine & Significant Sig
Brad S. Fischer (78-S)

Sigma Chi continues to have the most extensive collection of materials at the Fresno State Library Special Collections Department. What are you doing to save material from Epsilon Eta? Here are some ideas while you hold the items until you are ready to save them in perpetuity at the library.

Items can include, photographs, invitations, programs, clothing, jewelry, award certificates, trophy's, scrapbooks, etc.

Keep materials in a dry and temperature-controlled environment

Avoid folding any materials

Write the names of people featured in photographs on the back using a #2 pencil

Write an explanation of people, events, places, etc. to accompany your items

Place like materials in a box, folder, envelope or Ziplock

SUPPORT THE ONLY GREEK ARCHIVE AT FRESNO STATE

Funds are needed to cover the cost of archival storage containers and fees for these items. A fund has been established at the Fresno State Foundation for the Sigma Chi Collection at the Fresno State Library. **You can donate at:**
